

JOY TO THE WORLD, THE LORD IS COME!

OUR LOVE AND PRAYERS FROM OUR HOME TO YOURS

New beginnings in 2016.

Dear Family and Friends, On February 1, we opened the doors to our remodeled building on 3104 South Union Ave. Tacoma, WA.

www.solutionsdental.com Kevin has come out of retirement and is engaged in a new adventure!

We are eternally grateful to the Lord for His sustaining grace and His provision for every detail through this roller coaster journey. Without the Lord none of this would of been possible.! In addition to the dental office we have added the ministry of Adorned in Grace Tacoma in the lower half of the building. The purpose of the ministry is to raise awareness of trafficking, advocate prevention through volunteers, and facilitate restoration for survivors of exploitation in the Puget Sound Area. We welcome you to come and see what the Lord is doing here in Tacoma.

www.adornedingrace.org and you can also find more on our facebook page: Adorned in Grace Tacoma.

Merry Christmas from our home!

Chelsea and Skyler love their new home in Texas, as Skyler flourishes as the lead patient advocate at TMS Neural Solutions. Emerson Mei is now 17 months old. She fills our lives and hearts with delight with her funny antics and constant chatter. We are also excited to

meet her brother who is due to arrive on April 2017.

Jeremiah graded this year from GCU and began this Fall at U of W Dental School. We praise God that he has divinely put each of you in our lives. We pray that each of you seek to find your hope in Christ !
